

### Questionnaire Block 3

#### Question 1

Briefly describe the strategy that you used in this block.

Same strategy as last block, staying close to my number and always ~~staying~~ signalling one.

#### Question 2

What did you think of the other player's strategy? Briefly describe their strategy as well.

Most of the time it was the same bit with the ~~number~~ <sup>number</sup> 7, at some points he was behind my signalled number which confused me but at one point he was picking 7 and I was picking 10 and he had to change when I changed but he ~~got~~ got it correct.

#### Question 3

#### Question 6

Would you want to play with this player again? Explain briefly.

Not really there were some moments that were a lot of fun but too many moments where it seemed he picked randomly and I couldn't find any logic behind their moves.
