## INFORMED CONSENT

I	
(name participant)	
hereby consent to be a participant in the current research performed by (name researcher)	
Abi Raveenthiran	
My email address is:	
4	<b>)</b> ,
This is required for your payment. If you alread system, write down the email that you used to shighly preferred, but a private email will also w	sign up for it. Otherwise your student email is
I have agreed to take part in the study entitled	
Human behaviour in the Mod-Signal Game	
and I understand that my participation is entirely voluntary. I understand that my responses will be kept strictly confidential and anonymous. I have the option to withdraw from this study at any time, without penalty, and I also have the right to request that my responses not be used.	
The following points have been explained to me:  1. The goal of this study is	
1. The goal of this study is	
to learn about human behaviour in a sig	mple two-player game
to learn about human behaviour in a sin Participation in this study should help advance	mple two-player game our understanding of
to learn about human behaviour in a sig	mple two-player game our understanding of
Participation in this study should help advance human strategic behaviour  2. I shall be asked to	our understanding of
to learn about human behaviour in a sin Participation in this study should help advance human strategic behaviour	our understanding of
Participation in this study should help advance human strategic behaviour  2. I shall be asked to	3 times and fill in questionnaires
Participation in this study should help advance human strategic behaviour  2. I shall be asked to play 20 rounds of the Mod-Signal Game  3. The current study will last approximately 20	2 3 times and fill in questionnaires 2-45 minutes. At the end of the study, the nat the research was about.
Participation in this study should help advance human strategic behaviour  2. I shall be asked to  play 20 rounds of the Mod-Signal Game  3. The current study will last approximately 30 researcher will explain to me in more detail when the study will be treated confidentially a responses cannot be identifiable and linked barresponses cannot be identifiable and linked barresponses.	2 3 times and fill in questionnaires 2-45 minutes. At the end of the study, the nat the research was about.
Participation in this study should help advance human strategic behaviour  2. I shall be asked to play 20 rounds of the Mod-Signal Game  3. The current study will last approximately 30 researcher will explain to me in more detail where 4. My responses will be treated confidentially a responses cannot be identifiable and linked based.  5. The researcher will answer any questions I responses.	e our understanding of  2 3 times and fill in questionnaires  2 45 minutes. At the end of the study, the nat the research was about.  and my anonymity will be ensured. Hence, my ck to me as an individual.
