I	
(name participant)	
	Amount me formed by
hereby consent to be a participant in the curren (name researcher)	t research performed by
Abi Raveenthiran	
1401 Raveemman	
My email address is:	
	ATTACH AND
This is required for your payment. If you alread	
system, write down the email that you used to s	
highly preferred, but a private email will also we	ork.
I have agreed to take part in the study entitled	
Human behaviour in the Mod-Signal Ga	me
and I understand that my participation is entirely voluntary. I understand that my responses	
will be kept strictly confidential and anonymous. I have the option to withdraw from this	
study at any time, without penalty, and I also have used.	ave the right to request that my responses not
be used.	
The following points have been explained to me:	
1. The goal of this study is to learn about human behaviour in a simple two-player game	
Participation in this study should help advance our understanding of	
human strategic behaviour	
2. I shall be asked to	
play 20 rounds of the Mod-Signal Game 3 times and fill in questionnaires	
2. The support study will lest approximately 22 an exist to 1. 1. 1. 1. 1.	
3. The current study will last approximately 30-45 minutes. At the end of the study, the researcher will explain to me in more detail what the research was about.	
	at the research was about
