I (name participant)	
hereby consent to be a participant in the current research performed by (name researcher) Abi Raveenthiran	
ADI Kaveenum'an	
My email address is:	
This is required for your payment. If you alread system, write down the email that you used to highly preferred, but a private email will also we	sign up for it. Otherwise your student email is
I have agreed to take part in the study entitled	
Human behaviour in the Mod-Signal Game	
and I understand that my participation is entirely voluntary. I understand that my responses will be kept strictly confidential and anonymous. I have the option to withdraw from this study at any time, without penalty, and I also have the right to request that my responses not be used.	
The following points have been explained to me:	
1. The goal of this study is to learn about human behaviour in a simple two-player game	
to learn about human behaviour in a si	mnle two-nlaver game
Participation in this study should help advance	
Participation in this study should help advance human strategic behaviour	
Participation in this study should help advance	e our understanding of
Participation in this study should help advance human strategic behaviour 2. I shall be asked to	e our understanding of e 3 times and fill in questionnaires o-45 minutes. At the end of the study, the
